1. An application for a permit shall be submitted to the FMO for the above listed procedure prior to beginning work. Plans must be submitted showing locations of tanks, distances to property lines, buildings and utilities, and must include data on tanks, piping and equipment to be used.
2. All fees must be paid at the time application is submitted.
3. Notify the Fire Marshal's Office of installation, removal, or in-place abandonment of tank(s) **five (5) business days prior to beginning of work.**
4. A representative from the Fire Marshal's Office shall be on site at the time of the installation, removal or retrofitting of the tank(s).
5. Tank contractor shall complete and submit the attached UGST/AGST Removal or Abandonment Checklist to this office prior to project close-out.

I understand and consent to the above-stipulated conditions upon which this permit is granted. Failure to obtain permit and comply with regulations may render me liable to penalties provided by law.
