

Durham City/County
Sedimentation and Erosion Control
FINANCIAL RESPONSIBILITY/OWNERSHIP FORM
WITH LANDOWNER CONSENT FORM

No person may initiate any land-disturbing activity covered by the Durham City-County Unified Development Ordinance before a Land Disturbing Permit is issued by the Sedimentation and Erosion Control Office. Issuance of a Land Disturbing Permit does not relieve the permittee of the obligation to obtain any other licenses, permits and approvals as may be required by Federal, State, County or Municipal governments. This office must be notified in writing of any change to the information on this form.

PLEASE TYPE OR PRINT

1. Project name: _____

2. Road location of land-disturbing activity: _____

Tax Map - Block - Parcel: _____ PIN: _____

3. Square footage of land to be disturbed or uncovered: _____

4. List below the landowner of record. Each landowner must complete Item 8.

(If there are multiple owners, please list on a separate page):

Name

Address

City State Zip

Telephone Fax Email

5. List the person or entity financially responsible for this land-disturbing activity: The financially responsible party shall be (1) the developer or other person who has or holds themselves as having financial or operational control over the land-disturbing activity and/or (2) the land owner or person in possession or control of the land when they have directly or indirectly allowed the land-disturbing activity or have benefited from it and (3) the named party on the Land Disturbing Permit.

Name

Street Address

City State Zip

Telephone Fax Email

The Sedimentation and Pollution Control Act (Act) and the Durham City-County Unified Development Ordinance (Ordinance) includes, but is not limited to, the following legal obligations of the financially responsible party:

- Maintain a set of approved sedimentation and erosion control plans, if required, on site.
- Display permit on site.
- Understand and implement any required plan, including the construction sequence and details.
- Inspect, maintain and repair sedimentation and erosion control measures, especially after rainfall events.
- Refer to Section 12.10.4B of the Durham City/County UDO for groundcover time line requirements.
- Plan and conduct all land-disturbing activity so as to prevent off-site sedimentation.

6. For business applicants, list below the North Carolina registered agent for the financially responsible entity:
